## WOMEN OF LAW ENFORCEMENT

RESPECT. INSPIRE. STRENGTHEN. EMPOWER.

Dear (Insert Name),

In an effort to further develop professionally in my law enforcement career, I am requesting to attend the 13th Annual Women of Law Enforcement Conference. This year's conference will be held at the Pasadena Police Training Academy in Pasadena, Texas September 21-25, 2026.

The event provides an opportunity for law enforcement members, both sworn and professional staff, to choose from over 60 break-out sessions covering over 30 topics and incident debriefs taught by some of the best instructors and subject matter experts in the profession. Topics include leadership, investigations, officer safety and wellness, and more. Debrief presentations will provide a look at recent, real-world incidents, analyzing lessons learned and equipping me with best practices moving forward. In addition to the break-out sessions, there will be a series of tactical and hands-on scenario-based training, as well as several firearms courses.

This year, the event plans to welcome approximately 250 attendees from across the United States. This networking opportunity will allow me the chance to cultivate meaningful relationships and gain insight into common challenges faced in the profession. The conference also provides connections with law enforcement companies, showcasing advancements in products and services in the ever-changing profession.

As I look forward to my goals of developing professionally, the conference proves to be a valuable use of my time and will directly benefit the agency and our community. Thank you for your consideration.

Sincerely,
